Hey, YOU . . .!
Yeh, you, the funny little guy in the ultra-prep clothing. Have you considered looking into 'Southern Living? You would, we are sure, find everything just the way you like it . . . we all put on our topsiders one foot at a time, we polish our IZOD gators whenever in public, and we always can spare a dime. Or should I say a few pennies; you see, I only have a few cents to my name . . . and they are in my loafers, so . . .!

So what do you think? Think you would want to experience a little 'Southern Living? Oh, come off it . . . . YOU KNOW YOU WOULD. We all would . . .oh, I should have said *do*. But anyway, I've got to run. I've got a meeting with the Committee on Recruitment at 4:00, a Fraternity meeting at 6:00, a Sorority Mixer. . . (with my favorite sorority, no less!!!) . . . , and I have to make a speech on local television at 10:00.

While you're still here, tell me how this sounds . . . if you don't like it, just tell me. Well here goes . . . .

Now, young man, please lie down on my sofa while I ask you a few simple questions. OK? ok! I'm going to give you a word-association test to see . . . well, just to see! Now I'll admit that very often my patients don't have too many things to associate, so I usually allow them to look at some pictures, so that they might collect their minute thoughts . . . it's also good for those who cannot read, but that is neither here nor there. Now granted, they are not the best ink blots or even the best patterns you've perhaps seen, but they will do for a beginning.

Now for your first word . . .

Oh! I can tell you all about that . . . ! Life in the gym is one big endless cycle of tournaments — tennis, softball, volleyball, football, even swimming — and both the Greeks and the independents constantly flock toward the bulletin boards to see who is playing whom next . . .

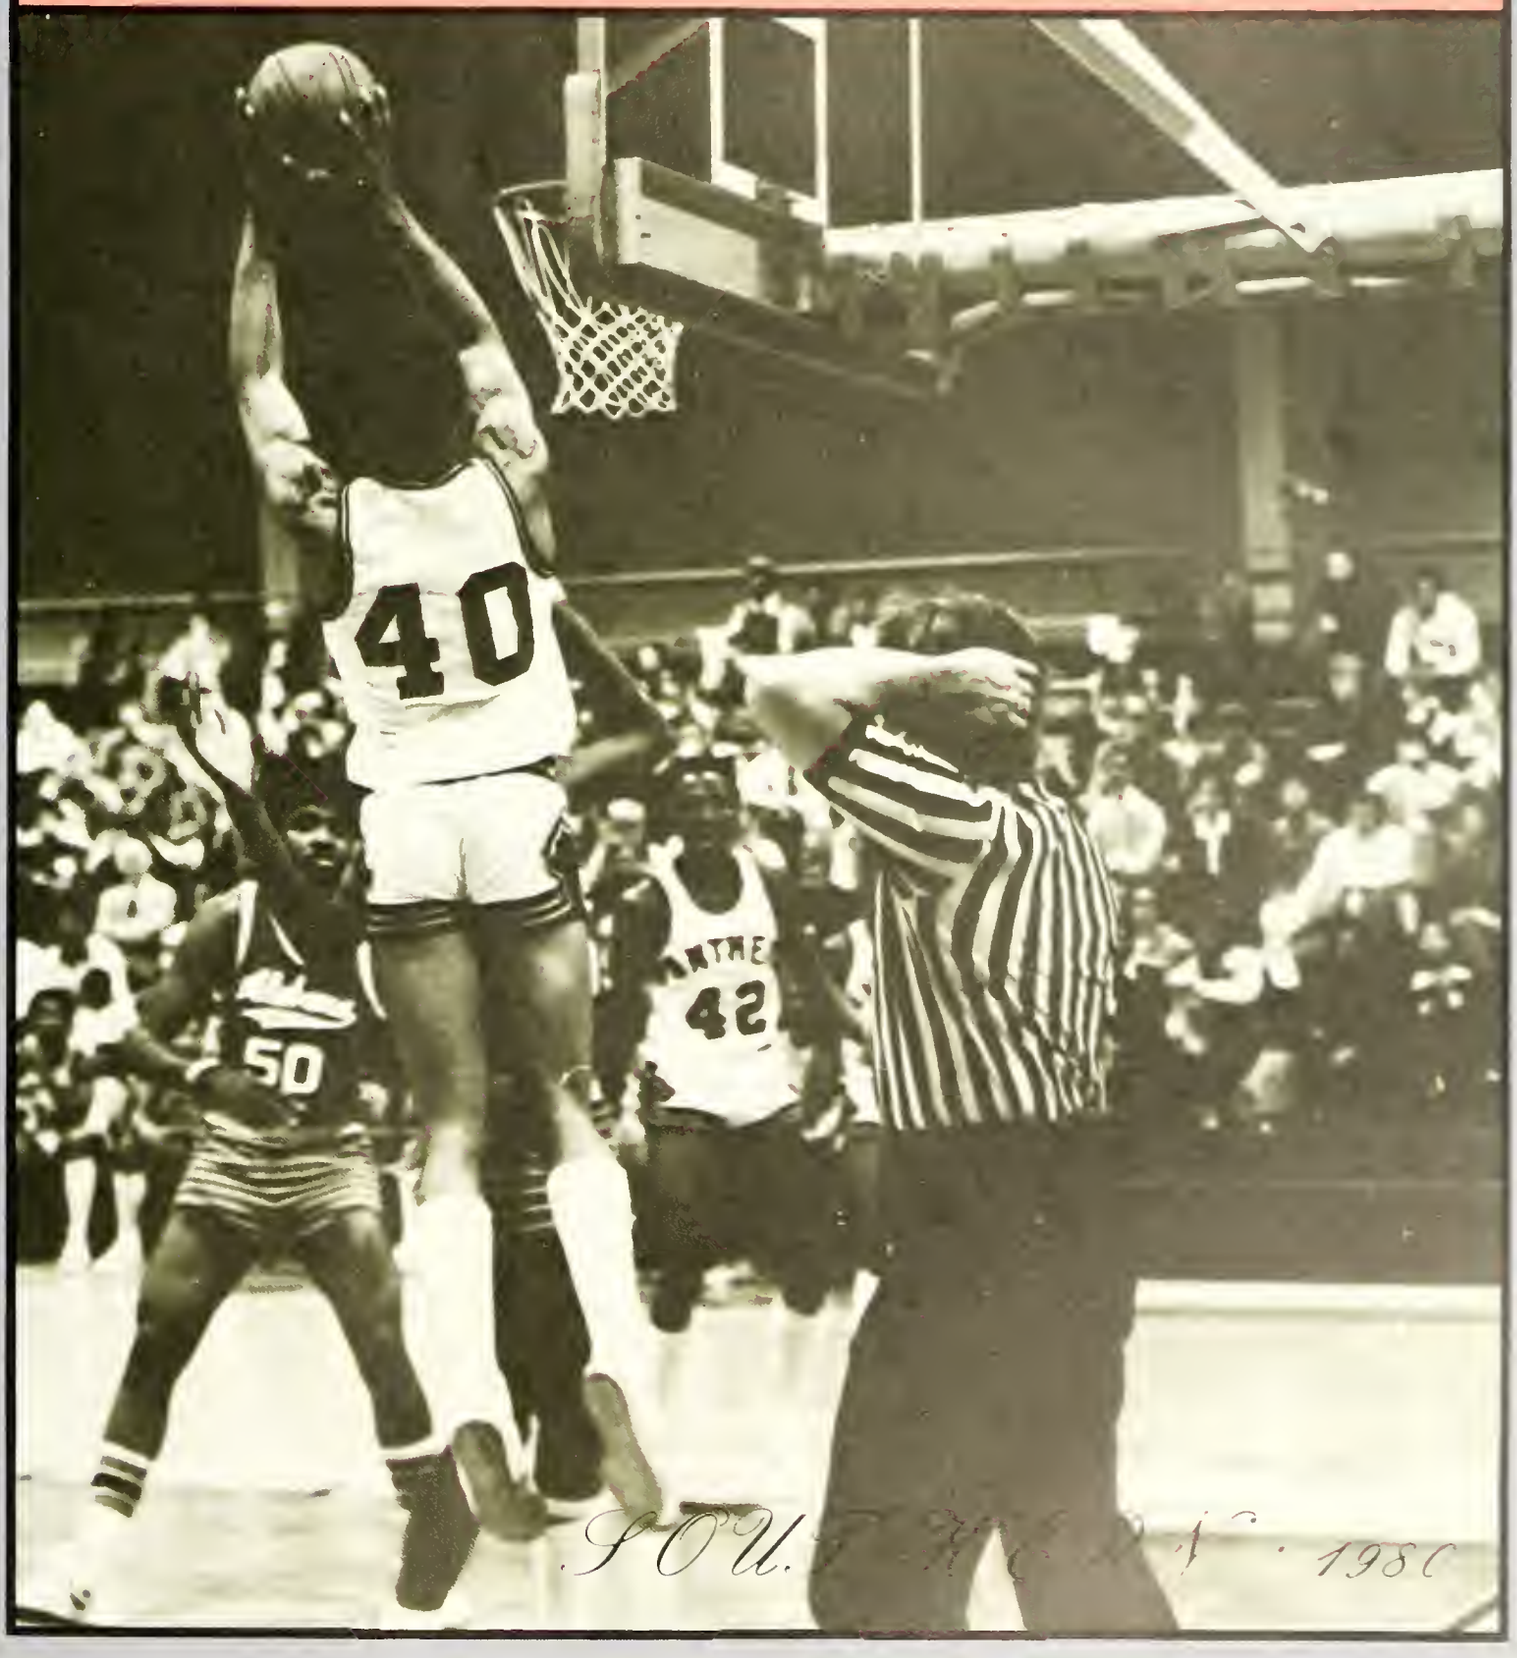
BEER

. . . and your final word is *beer.*

"Well, we all know that one . . . ! It's an alcoholic, fermented beverage made from malt, hops, and the roots of various plants. Just seems like everyone everywhere drinks the stuff . . . "

. . . well, so much for word association. Now let's go to something a little HARDER!

ILLUSTRATED SPORTS



BASEBALL

With the season beginning late in the year, little can be said about this year's baseball team. But one thing is for sure: if this team plays anywhere near as well as the last one did, a national title may be in the making. In fact, from a pre-season look at this year's team, why don't we just start clearing away a place for yet another trophy!

The Birmingham-Southern Panther basketball squad began their second season under head coach Greg Walcavich. Returning from last year's team were seniors Willie Williams, and Mike Goggans, who will lead the Panthers through a tough twenty-nine game schedule, which includes such big names as the University of Kansas.

Birmingham-Southern's Tennis team began their third year under the direction of Coach Ann Dielien. The Panthers offer a very impressive season, after last year's 13th place ranking, and are looking for yet another bid to the NAIA National Championship in May. Returning for their final year on the squad are seniors Fred Tanner and Kevin Stump. Newcomers include Chris Little from Canada and Phil Ritchie, a native of Scotland.

LIFE

Someone once said that a picture is worth a thousand words, so I wonder if Dr. Koger will consider this photo as a 1000-word essay on student life at lifes[illegible] this campus. Do you think he will? No? Well, maybe he'd better put a little effort into it. After all, who knows what could come of it . . . !

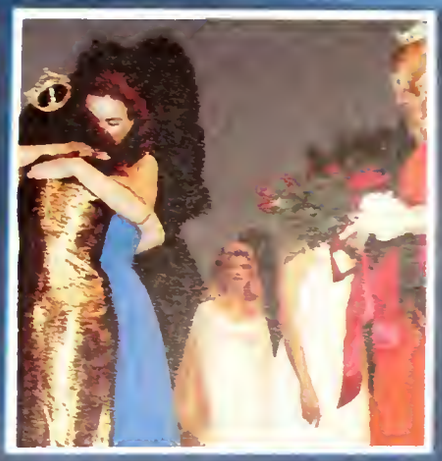
The atmosphere at Birmingham-Southern back in the spring of '80 was less formal than ever before. People began to be, well, just to be, without fear of catching hell from their peers.

A surprising portion of the male population tried facial foliation, if only until their mothers or girlfriends got bored with it. But for them, it was a painless situation, and a change was always welcomed.

Every person becomes aware — sometimes painfully — of a framework within which he must realize his commitments, however, so that he might find a life with meaning and satisfaction for himself. But alas, such is indeed hard to find.

MR. HILLTOPP

Boy, I can't wait until Saturday. It will finally be quiet enough on campus for me to be the studious little person my parents pay tuition for, but I guess til then I'll have to wait . . . .



ΑΤΩ

Well, do you think the English department w[illegible] mean, have they ever tried to write an essay on such an obscure subject as Southern Living. If it were on the genetic manipulative techniques involved in certain Aves species, I think I could have done it, but after all, don't you think the pictures said a whole lot more? A WHOLE LOT MORE!

PROMOTION STUDENT REPRESENTATION . . .

After a vigorous, hard-fought campaign and election, our 1979-80 Student Government Association took office last April. Meetings, of course, were a model of parliamentary procedure, although various members tended to indulge in rather lengthy debates on proposed resolutions, motions, and amendments to the infamous SGA Constitution. In functioning to coordinate and regulate student affairs, the Student Government Association encouraged all campus activities—except for those few days when we were without an activity fee. And for their outstanding work and leadership on this campus, the SGA became the first recipient of Circle K's Award for the Promotion of College Community.

DEDICATED TO MUSICAL EXCELLENCE . . .

THE CONCERT CHOIR

The purpose of the Concert Choir is to involve and to interest students in music excellence. Anyone on campus may audition for this renowned group, but only the most outstanding individuals may be selected. During the 1979-80 season, the Concert Choir performed an unusually heavy load of concerts, with trips throughout the Southeast and over various parts of Europe. Reviews in various newspapers have proclaimed this year's Concert Choir—like so very many before them—to be an outstanding organization and suggested that it be given maximum exposure and recognition since it represents the finest quality musical experience of its kind in this area. Hugh Thomas is their director.

LOOKING FOR NATIONAL RECOGNITION . . .

Theta Sigma Lambda, a local math honorary, has been in the process of chartering a national math honorary on the campus of Birmingham—Southern College. Under the leadership of Bill Childress, Theta Sigma Lambda has become a very active organization which not only promotes the advancement of math skills, but also which strives to encourage, stimulate, and maintain scholarship of its individual members in all fields.

Well, if you have ever been in the Comparative lab, then you would know the type of Atmosphere I'm talking about. Well anyway, some of the activities of this group include speakers and field trips so that students can see the various applications of a biological science. There is also the social aspect of this organization which allows student members to relax and interact with biology faculty on an informal basis.

BIRMINGHAM-SOUTHERN JAZZ BAND

The Purpose of Birmingham-Southern's Jazz Band, affectionately called the Ten-Thirty Band by those more closely associated with it, is to recreate jazz and big-band masterpieces from all periods of musical history. Under the direction of the renowned Navy Director, Dr. Donald Stauffer, the Jazz band annually performs several concerts for the student body and has been selected for the past three years to perform at the World Peace Luncheon . . . ! Needless to say, the jazz band meets daily at 10:30.

This year the Birmingham-Southern Chapter of the American Chemical Society was chosen as one of the top 66 chapters in the nation. The group was selected from among 723 active student chapters nationwide. Membership in the student affiliate organization of the American Chemical Society is open to any chemistry majors or to anyone interested in that field. The chapter sponsors speakers from industry and academic settings. Social and service activities of the chapter include membership get-togethers, refreshments, and the Annual ACS Christmas Party.

ART STUDENTS LEAGUE

PHI BETA KAPPA

Phi Beta Kappa, a national Honorary scholarship fraternity, was established at Birmingham-Southern College in 1937. Election into this outstanding organization is based on scholarly achievement in a broad program of intellectual interest within the context of a liberal education. High grades alone, particularly if earned in a narrowly conceived vocational or pre-professional program, are not sufficient reason for election. Students are elected by the resident members of Phi Beta Kappa only after a careful analysis of grades and course distribution. Resident Members include Paul Bailey, William Baxter, N. Berte, Nancy Campbell-Goymer, David Fraley, Terrell Finney, Earl Gossett, Susan K. Hagen, Dan Holliman, Ouida Kinzey, James A. Koger, John Pool, Henry C. Randall, Dorothy C. Ward, O. C. Weaver, Roy Wells, and Robert Wingard.

On April 8, 1980, the Beta Chapter of Alabama Phi Beta Kappa was pleased to announce the election to membership-in-course of the following students:

CIRCLE K

Circle K is the largest collegiate service organization dedicated to both campus and community service activities. Using their motto "we build . . .," Circle K, in the last four years under the able direction of Dr. Susan K. Hagen, has do just that. Annually this organization performs at least three off-campus activities in addition to their many on-campus services. At the top of their activities list this year are their annual Blood Drive and their presentation of the First Annual Circle K Award for the Promotion of College Community, which was this year won by the Student Government Association.

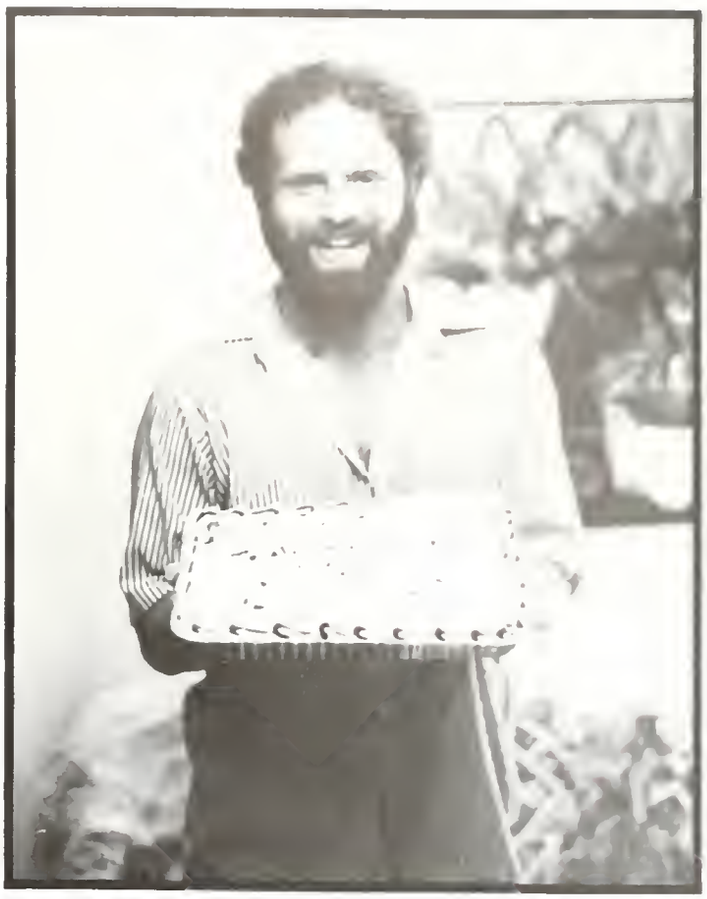
WORKING INTO THE WEE HOURS . . .



Triangle Club is a sophomore honorary organization made up of thirty outstanding Birmingham-Southern sophomores. Each was selected in the spring of his freshman year for outstanding service to campus and community. They regularly can be found working at programs, benefits, dances, and cultural events that are intended for the enjoyment and participation of the entire campus community.

SOUTHERN ACCENT

Have you ever noticed a light in the basement of Anavely that burns unto all hours of the night? Well if you have, then you probably asked yourself, "Now, Self, who is the world is so crazy—so very stupid—to stay in class that long?" But maybe, just maybe, those people are not crazy—not stupid, but just interested enough, creative enough, and just damned bull-headed enough to come up with a yearbook—for a change—that's worth its weight in . . .! Well, in Shamrocks (the flower, of course!).

Seriously, the staff of the 1980 *Southern Accent* considers this work to be an art form—and nothing less—an art form which brought together the very best in talent, design, layout, and photography. Oh sure! This book has its problems, but how many other college yearbooks can honestly say they don't? So take the time to enjoy this book for all that it is worth. After all, there can only be one 1980 *Southern Accent* so you might as well make the most of it.

SO WHAT CAN BE SAID ABOUT A YEARBOOK?

PHI ETA SIGMA
ALPHA LAMBDA DELTA

The individuals of the two freshman honoraries are remarkable for their fortitude and scholastic endurance, for they have each achieved at least a 3.50 GPA in their freshman year. Quite obviously, these individuals may form a nucleus of a future Phi Beta Kappa group.

They can usually be seen struggling under a load of notebooks and texts which are so very much a part of their lives—that is, when they are not at the Tide!

Paul Romjue and David Fraley serve as Advisors.

DELTA SIGMA THETA

BREAKING INTO THE ACT . . .

Delta Sigma Theta, Inc., a public service sorority, was first founded in 1913. But here on the Hilltop, the Delta Girls have only been around for a few months, but that is not to say that they will not or cannot succeed. Using their national theme, "Deltas breaking new ground," these girls broke into the act by performing at both Mr. Hilltopper and at Greek Sing. So with a little more time to grow and develop, who knows what ground these dazzling young ladies will break next!

YOUNG REPUBLICANS

Founded this year, the Birmingham-Southern Chapter of Young Republicans is an organization which holds as its goal the promotion of American Values while striving to preserve a feeling of national strength and pride, and at the same time sharing with people everywhere a desire for peace and freedom and the extension of human rights throughout the world. The Young Republicans of Birmingham-Southern are indeed the practitioners of the spirit that made America strong and are preparing for that day soon when today's young people will make tomorrow's decisions.

Vice-President: Carol Herrmann
Secretary: Dahryl Mason
Treasurer: Sydney Brevard

Young Democrats

Having been organized on 14 February, 1980, the Young Democrats at Birmingham Southern have germinated much spirit in their first year of existence. While Dean Monroe has worked as organizer and has attempted to work toward a Democratic Fundraiser this year, the organization as a whole has enjoyed such activities as hosting Democratic speakers on campus and working at various civic functions. So looking at everything in retrospect—including Dean Monroe's Kennedy Poster hanging outside his Andrew's Dorm window, one would have to agree that Young Democrats have had a very successful year indeed!

BLACK STUDENT UNION

PROMOTING BLACK CULTURE WITH STYLE . . .

The Black Student Union performs various civic and social functions as it represents the Afro-American students at Birmingham-Southern College. Their primary concern is the promotion of black culture—which they whole-heartedly did with their highly successful Black History Month. The BSU also strives to unite blacks with the campus community in determining policies relevant to the College. Their varied activities—programs, dances, benefits, jazz concerts, and cultural events—are intended for the enjoyment of the entire college community.

RECOGNIZING OUTSTANDING SENIORS . . .

Mortar Board is composed of senior men and women who have shown outstanding abilities in the classroom and around campus. These selected individuals are the leaders of many clubs and organizations. They feel that a college education is not found solely in books. Through the various activities embodied by each member, a service in a sense is provided both to the student body and to the college community as a whole.

STUDENT LEADERS ABOUNDING . . .

Whenever active men and women gather on the campus of Birmingham-Southern College you will usually find a number of ODK's among them. This national honorary represents a cross section of outstanding juniors and seniors on this campus. These individuals were chosen for demonstrated leadership in various field. Omicron Delta Kappa taps for membership twice each year.

SERVICE WITH A SMILE . . .

Alpha Phi Omega is a national service fraternity based on the principles of service, leadership, and friendship on campus, in the community, and on the national level. Active chapters operate today on nearly 400 campuses, and nearly 150,000 students have participated during our more than 50 years of service. Our national by-laws also operate in accordance with those principles exemplified by the Boy Scouts of America. Alpha Phi Omega is a unique college fraternity which includes members of all rces, religions, political preferences, and national origins. We are a self-governing group under our national chapter articles and by-laws, and we maintain regular communication with our national worthwhile sectional and regional conferences during the academic year. Our membership is certainly varied. Each class is represented and members are regular participants in many other college activities, including social fraternities and sororities, Baptist Campus Ministries, and Circle K, which provide service, leadership, and friendship in becoming active.

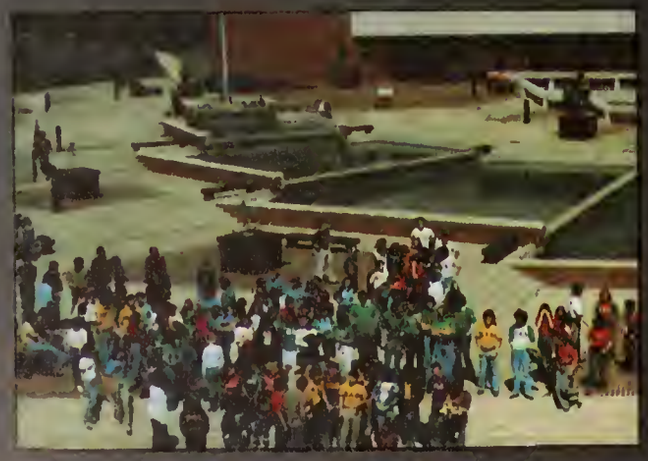
SOUTHERN GREEKS TAKE A STAND . . .
see inside story



Whether it be a sisterhood based on the fourfold aims of physical, intellectual, social, and spiritual development or a brotherhood built upon fraternal love and high scholastic achievement, Greek life remains a very moving force in many individual's claims to a full and successful life.

Whether it be a group of uncanny individuals or one with IZODS, button-downs, top-siders, lime-green pants, and duck shoes abounding, one thing remains the same — that special warm feeling you get when you hear an old fraternity cheer or see a sorority White Rose ceremony after many years of separation from the old group seems almost instantaneously to bring a tear to the eyes or, at least, a heavy lump in the throat.

One thing remains the same: it's called being Greek!
